*STANDARD Service constitutes MINOR draft document amendments, AND REASONABLY PROMPT client responses.

*ADVANCED Service constitutes the inclusion of a Discretionary Trust clause within a Will or Wills, AND/OR EXTENSIVE draft document amendments, AND/OR a complex Probate application, AND/OR fundamental correctional work due to client error, AND/OR a lack of client response which requires remedial action.

This also applies when a single person appoints THREE (3) or more attorneys within their LPA, or 2 people appoint FOUR attorneys other than each other. The cost of postage of LPA documents to attorneys OUTSIDE the UK shall be met by the Client(s), in addition to the fees confirmed above.

Will fees INCLUDE 1 x HM Land Registry search to confirm the correct current ownership status of land and property.

Personal visits by a TRF Wills consultant to client premises attract an additional hourly travelling time charge of £50.00 (Pro Rata). This does NOT apply to online meetings or appointments within, or near, TRF Wills.

LPA Court fees are reduced by 50% for applicants whose annual income is below £12,000. There are NO court fees if the applicant receives a "qualifying" means-tested state benefit, such as Guaranteed Element of State Pension Credit or Housing/Council Tax Benefit.

The Annual Storage Facility can be cancelled at any time, and ALL documents returned securely to the Client(s).
